Re: M.F. & B.C. v. State of New York Division of Parole  
08 Civ. 1504 (BSJ)

Dear Judge Jones:

This letter is written on behalf of the state defendant to request that the date to respond to the complaint be extended, nunc pro tunc, to May 2, 2008. Plaintiffs consent to this request. In this matter, inter alia, plaintiff M.F. is a sex offender currently residing in and under the supervision of the New Jersey Department of Parole, and who will relocate and be transferred to the custody of the New York Division of Parole upon acceptance of the condition that he notify his current employer of his status. M.F. objects to this notification condition on the basis that purportedly such a condition is not generally imposed on sex offenders of his tier in New York. This extension request is made because our office only very recently received the state defendant's request for representation, and we need time to discuss this novel matter with our client prior to responding to the complaint.

Respectfully submitted,

John E. Knudsen  
Assistant Attorney General
